- the insurance policy,
- the terms of contract, including the general terms and conditions of insurance, these in turn including the tariff regulations,
- this Instruction Regarding Revocation,
- the Insurance Product Information Document,
- and the further information listed hereafter in part 2.

Timely dispatch of the revocation shall suffice for compliance with the time limit. The revocation notice should be addressed to:

Legal consequences of revocation

If you have effectively exercised your right of revocation, the insurance cover shall end. In this case the following applies: If you agreed that the insurance cover commences prior to the end of the revocation period, we shall reimburse you for that part of the insurance premiums attributable to the time after your revocation notice was received. We will be entitled to retain the portion of the premium which corresponds to the period of time up to the receipt of the revocation notice. It will be calculated on a pro rata basis per day, based on the amount of the insurance premium shown in the insurance policy for the entire insured period. The duty to reimburse shall be fulfilled without undue delay, at the latest 30 days after receipt of the revocation. If the insurance cover did not commence prior to the end of the revocation period, the effect of a revocation notice will be that any benefits received must be reimbursed and any advantage derived therefrom (e.g. interest) must be handed over.

Special Notices

Your right of revocation shall cease to apply if the contract has been wholly fulfilled by both sides at your explicit request before you have exercised your right of revocation.

DATA PROTECTION POLICY

In accordance with Art. 13 and 14 of the General Data Protection Regulation (GDPR), we are informing you about how your personal data is processed by AWP P&C S.A., Niederlassung für Deutschland (Germany Branch), and about the rights to which you are entitled under data protection law. Please make all co-insured individuals (e. g. your spouse) aware of this policy.

I Who is responsible for processing your personal data?

Responsibility for processing your personal data rests with

AWP P&C S.A., Niederlassung für Deutschland
Bahnhofstraße 16
D - 85609 Aschheim (near Munich).

The Data Protection Officer can be contacted by standard mail at the aforementioned address, using the suffix "Data Protection Officer", or by email at datenschutz-azpde@allianz.com

II For what purpose is your data processed, and on what legal basis does this take place?

1. What applies to all categories of personal data?

We process your personal data in compliance with the EU General Data Protection Regulation (GDPR), the German Federal Data Protection Act (BDSG), the provisions of the German Insurance Contract Act (VVG) relevant to data protection law, as well as all other applicable laws.

When you apply for insurance cover, we will require the information provided by you at this point in order to arrange the contract and to estimate the risk assumed by us. If the insurance contract comes into being, we will process this data for the implementation of the contractual relationship, such as for invoicing purposes. We require information about loss or damage in order to be able to assess whether an insured event has occurred and determine the extent of this loss or damage.

It is not possible to arrange and implement the insurance contract without processing your personal data.

Art. 6 (1) b) GDPR constitutes the legal basis for the processing of personal data for pre-contractual and contractual purposes.

Alongside that, Art. 6 (1) a) and c) – f) GDPR contain other legally defined situations in which we are entitled to process personal data.

We will process your data in order to fulfil a legal obligation in accordance with Art. 6 (1) c) GDPR, such as to review claims for settlement, if another insurer seeks recourse from us due to the existence of multiple insurance policies.

We will also process your data in order to uphold our legitimate interests or the legitimate interests of others, Art. 6 (1) f) GDPR. This may be the case particularly:

- for ensuring IT security and IT operations
- for marketing our own insurance products, and for conducting marketing surveys and opinion polls
- for the prevention and investigation of criminal activities (in particular, we employ data analyses to detect possible indications of insurance fraud).

As a rule, we only process that data that we have received directly from you. In certain cases we may also receive such data from other sources (such as if another insurer seeks recourse from us due to the existence of multiple insurance policies).

We also process your personal data in order to fulfil other statutory obligations, such as regulatory requirements, as well as data retention obligations imposed by commercial and tax law. In these cases, the legal basis of the data processing is provided by the relevant statutory regulations in conjunction with Art. 6 (1) c) GDPR.

We may also process your data in accordance with Art. 6 (1) d) GDPR in order to protect your vital interests, or if you have consented to the data processing, Art. 6 (1) a) GDPR.

If we wish to process your data for any purpose other than those specified above, we will notify you in advance within the frame-work of the statutory regulations.

2. What applies to special categories of personal data, especially health data?

There are special safeguards on the processing of special categories of personal data, of which health data is one. As a rule, processing is permitted only if you have consented to the processing in accordance with Art. 9 (2) a) GDPR, or if this is a case of one of the other situations defined by law, Art. 9 (2) b) – j) GDPR.

a) Processing of your special categories of personal data

In many cases, in order to review the benefit entitlement, we require personal data belonging to a special category (sensitive data). This includes health data, for example. If, in connection with a specific insured event, you provide us with such data together with a request to review and process the claim, you are explicitly permitting us to process your sensitive data necessary in order to process the insured event. We will again remind you specifically of this fact in the claim form.

You may withdraw your consent at any time, with future effect. However, we explicitly inform you that it may in that case no longer be possible to review our indemnity obligation in connection with the insured event. If the review of the claim is already concluded, there may be statutory retention obligations that mean the data cannot be erased.

We may also process your sensitive data if this is necessary to protect your vital interests, and if you are physically or legally incapable of giving consent, Art. 9 (2) c) GDPR. This may be the case if you suffer a serious accident while travelling, for example.

In the case of multiple insurance policies, if another insurer seeks recourse from us or if we seek recourse from another insurer, we may process your sensitive data in order to assert and defend the statutory claim for settlement, Art. 9 (2) f) GDPR.

b) Requesting health data from third parties for review of the indemnity obligation

In order to review *our* indemnity obligation, it may be necessary for *us* to review information about the state of *your* health, as provided by *you* for the substantiation of claims, or which is contained in the documents submitted (e.g. invoices, prescriptions, medical reports) or statements, such as from a doctor or other member of the healthcare profession.

For this purpose, *we* will require *your* consent, including a confidentiality waiver covering *us* and all agencies subject to a duty of confidentiality, and which are required to provide information for review of the indemnity obligation.

We will notify *you* in each specific case about what persons or institutions require information for what purpose. *You* may then decide in each case whether *you* consent to *us* collecting and using *your* health information, and whether to release the named persons or institutions and their employees from their duty of non-disclosure, and if *you* agree to the communication of *your* health data to *us*, or if *you* want to personally provide the necessary documentation.

III To what recipients will we communicate your data?

Recipients of *your* personal data may include: selected external service providers (e.g. assistance service providers, benefit processors, transport service providers, technical service providers, etc.), other insurers (e.g. in the case of multiple insurance coverage).

We also insure some of the risks that *we* cover with specialist insurance companies (re-insurers). To this end, it may be necessary to send *your* contract and, where relevant, *your* claims information to a re-insurer, to enable it to form its own opinion of the risk or the insured event.

If *you* join a group insurance contract as an insured person, (e.g. when acquiring a credit card), *we* may disclose *your* personal data to the policyholder (a bank for example), if it has a legitimate interest in knowing this information.

In addition, *we* may also communicate *your* personal data to other recipients, such as public authorities for the fulfilment of statutory duties of notification (e.g. finance authorities or criminal investigation agencies).

The forwarding of data is a form of data processing, and is likewise performed within the framework of the principles set out in Art. 6 (1) and Art. 9 (2) GDPR.

IV How long will we retain your data?

We will retain *your* data for the period during which claims may be made against *our* company (statutory limitation period of 3 to 30 years). *We* will also retain *your* data if *we* are under a legal obligation to do so, e.g. according to the provisions of the German Commercial Code, the German Fiscal Code or the German Money Laundering Act. The relevant retention periods range up to ten years.

V Where will your data be processed?

If *we* should transfer *your* data to service providers located outside of the European Economic Area (EEA), the transfer within the Allianz Group will be performed on the basis of "Binding Corporate Rules", which have been approved by the data protection authorities. These form part of the "Allianz Privacy Standard". These Corporate Rules are binding on all companies within the Allianz Group, and they ensure an appropriate level of protection for personal data. The "Allianz Privacy Standard" and the list of Allianz Group companies bound by this standard, can be viewed here: <https://www.allianz-partners.com/allianz-partners---binding-corporate-rules-.html>.

In those cases in which the "Allianz Privacy Standard" does not apply, the transfer of data to third countries will take place in accordance with Art. 44 – 50 GDPR.

VI What are your rights?

You have the right to be informed about all of the information retained by *us*, and to demand that incorrect data be rectified. Under certain conditions, *you* also have the right to the erasure of data, the right to object to processing, the right to the restriction of processing and the right to data portability.

Right of objection

You may object to the processing of your data for direct marketing purposes. If we process your data in order to protect legitimate interests, you may object to this processing for reasons pertaining to your particular situation.

If *you* have any objections concerning the handling of *your* data, *you* may contact the aforementioned Data Protection Officer in this connection. *You* are also entitled to lodge an objection with a data protection supervisory authority.

INFORMATION FOR CONTRACTS IN ELECTRONIC COMMERCE

If *you* have purchased *your* insurance contract electronically (e.g. via an online portal), the following information applies:

I Can entries that have been made be changed before the insurance is concluded?

If *you* are unsure whether *you* have entered correct information everywhere, *you* can check and change *your* details at any time before concluding the insurance. *You* can also use the "Back" button to edit previous steps.

II Which technical step leads to the conclusion of the contract?

We will guide *you* step by step to the online conclusion. On the page "payment" *you* will see a summary of *your* details in the right-hand column. Please check that all data is correct. The insurance policy itself is only arranged when *you* click on the button "Pay XX,XX EUR". With this *you* conclude a binding contract with *us* and the data is transmitted to *us*.

III Will your contract data and the text of the contract be stored after the conclusion of the contract?

The contract data *you* entered and the text of the contract will be stored by *us*. *You* will receive the insurance certificate with the essential elements of the contract by email after the insurance has been arranged.

IV Which languages are available?

This offer is available in German.

WHEN YOUR COVERAGE BEGINS AND ENDS

You are only eligible for coverage if we accept your request for insurance. Your policy's coverage effective date and coverage end date are indicated in your proof of insurance. The policy is effective at 00:00 on the day after we receive the order and you pay the full premium. The order must be received and the full premium must be paid on or before the departure date.

Coverage is only provided for losses that occur while your policy is in effect.

Except for one-way and same-day return trips, the departure date and return date that you provided at time of purchase are counted as two separate days of travel when we calculate the duration of your trip.

Your policy ends on the coverage end date listed in your proof of insurance. However, there are situations where your policy may end on a different date. If your policy was purchased with a one-way booking, your coverage end date will be the scheduled return date for your trip, as shown on your travel documents (not exceeding 999 days from the departure date shown on your travel documents). Additionally, your policy will end on the earliest of:

1. when you cancel your trip; or
2. when you cancel your policy, if your policy has Travel Cancellation coverage and the policy coverage period is longer than one month; or
3. when you end your trip (if you end your trip early); or
4. when you arrive at a medical facility for further care (if you end your trip due to a medical reason); or
5. At 23:59 on the 999th day of the trip

However, if your return travel is delayed due to a covered reason, we will extend your coverage period until the earlier of when you are able to return to your point of origin or primary residence, or until you arrive at a medical facility for further care following a medical repatriation or trip interruption.

Please note that this policy applies for a specific trip and cannot be renewed.

DESCRIPTION OF COVERAGES

In this section, we will describe the many different types of insurance coverages, which are included in your policy. We explain each type of coverage and the specific conditions that must be met for the coverage to apply. **Please refer to the General Exclusions section of this document for exclusions applicable to all coverages under your policy and to the General Provisions section, where you can read about your duties (obligations), among other things.**

A. TRAVEL CANCELLATION INSURANCE

If your trip is canceled or rescheduled for a covered reason listed below, we will reimburse you for your non-refundable trip payments, deposits, cancellation fees, and change fees costs to rebook your transportation (less available refunds), up to the maximum benefit for Travel Cancellation coverage listed in your Coverage Summary. Please note that this coverage only applies before you have left for your trip.

Also, if you pre-booked shared accommodations and your traveling companion cancels their trip due to one or more of the covered reasons listed below, we will reimburse any additional accommodation fees you are required to pay.

IMPORTANT (obligation): You must notify all of your travel suppliers within 48 hours of discovering that you will need to cancel your trip (this includes being advised to cancel your trip by a doctor) in order to keep the cancellation costs as low as possible. This also applies to illnesses or injuries that should have healed by the time of travel, given the usual course of healing. What must you do in each event of loss or damage?

You must minimise the damage or loss to the extent possible and provide evidence of the damage or loss sustained. Therefore, please retain appropriate evidence detailing the occurrence of the loss or damage (e. g. confirmation of loss or damage, medical report) and the extent of the loss, damage or *injury* (e. g. invoices, receipts). You can register your claim quickly and easily online at www.allianz-reiseversicherung.de/versicherungsfall.

What are your obligations if it is doubtful whether you will be able to begin your trip or participate in a booked activity?

If participation in a *trip* or an activity booked in advance is unreasonable or impossible due to an insured event, the following applies: You must cancel the *trip* or activity without delay and inform us.

PLEASE NOTE: If the hoped-for healing or improvement in the case of a serious illness or *accidental injury* does not occur and you therefore cancel the *trip* / booked activity at a later stage, the following applies: We will not reimburse the higher cancellation costs incurred due to the delayed cancellation. **Please always contact us - regardless of your doctor's assessment of the prospects of recovery: Contact our medical service (cancellation advice) immediately after the onset of the illness or accidental injury.** If you follow our recommendation as to whether and when the *trip* should be cancelled, the insurance benefit will not be reduced.

In case of an insured event, we will reimburse you for the contractually owed cancellation costs less the agreed deductible and less any reimbursements you receive from elsewhere.

For this we require:

- The **booking confirmation** with details about the booked services, the travel participants and the travel price
- The **proof of insurance**
- The **invoice for cancellation costs** as well as the **proof of payment** (in case of cancellation of a vacation apartment or another object, a confirmation of the landlord that it was not possible to sublet)
- The **proof of loss**
 - In case of illness, *accidental injury*, vaccination intolerance or pregnancy, a medical certificate (with date of birth, start of illness and treatment and findings). You can request a form for a medical certificate from us. We may also require a certificate of incapacity for work.
 - In case of death a death certificate.
 - In the event of loss of employment, the letter of termination from the employer stating the reasons for termination, etc.

What do you have to consider if you cannot end your trip as planned or have to start with delay?

If you end or interrupt your *trip* unscheduled or start it late due to an insured event, please submit the following documents for reimbursement of costs:

- The **booking confirmation** with details of the booked services, the travel participants and the travel price
- The **proof of insurance**
- **Receipts** for additional travel or return expenses and a statement from the tour operator for the unused services
- **Proof of loss**, e. g. medical certificate from the *doctor* at the place of vacation (with date of birth, start of illness and treatment and findings) or police confirmation of an *accident* or similar

What are your obligations if your baggage / sports equipment is damaged or stolen or arrives late?

If your *baggage* / *sports equipment* is damaged or lost during transport or arrives late, please report this immediately to the responsible company. If you discover the damage later (for example when unpacking), you must report this in written form within seven days of acceptance.

Important: Most carriers issue damage confirmations that you must submit to us.

In the event of damage that you discover at the vacation destination, the tour guide may help you to obtain **written confirmation of the damage report**. In the event of **theft** or other crimes, please file a report immediately at the nearest police station. Obtain a **copy of the police report** or at least a confirmation that you have filed a report.

What option do we offer if your baggage does not arrive on the outward journey?

Please report this to the *travel carrier* immediately and contact us to provide us with the incident number / loss confirmation. If the Real-Time conditions are met, we will ensure that you can pay for any necessary replacement purchases directly on site. In this case you no longer have the right to be reimbursed afterwards for further expenses incurred to recover your *baggage* or for any necessary replacement purchases.

What are your obligations if you become ill or suffer an injury or other emergency while travelling?

In case of serious *injury* or illness, especially before hospitalization, please contact our medical service immediately so that appropriate treatment or repatriation of the sick can be ensured.

For reimbursement of your expenses incurred during the *trip*, please submit **original invoices and / or prescriptions**.

Important: The invoices must show the name of the person treated, the name of the illness, the dates of treatment and the individual medical services with the corresponding costs. Prescriptions must contain details of the prescribed medication, the prices and the pharmacy's stamp.

What option do we offer for direct on site payment of your bill if you are ill and need medical treatment?

Before you seek treatment for health complaints, you can contact us. We will check whether, according to a preliminary assessment, the requirements for Real-Time cost coverage are met. If this is the case, we will ensure that you can pay your costs directly on site.

What are your obligations when lodging claims under the Travel Accident or Travel Liability Insurance?

Please note down the **names and addresses of any witnesses** who observed the damage. Obtain a **copy of the police report** if the police have been called to investigate. Inform us and submit these documents and information with your claim.

What are your obligations when you lodge a claim under the Cruise Insurance?

Ask the responsible person of the shipping company to issue a confirmation, if a port of call was missed, if the river cruise was interrupted due to high or low water, if the ship's *doctor* has advised *you* not to leave the cabin / not to participate in a shore excursion or if *you* are denied boarding. Submit this documentation and information with *your* claim.

What do you have to consider when handing over the vehicle and in the event of a claim regarding the Collision Damage Waiver (CDW) for cars?

Check the *rental car* for any pre-existing damage and make sure that it is adequately documented. Please report theft and other criminal offences as well as *accidents* on the road immediately to the rental car company and the nearest police station. Get a copy of the police report, including the police *accident* report, if applicable, or at least a confirmation that *you* have raised a claim. In case of damage, please send *us* the following documents:

- the complete **rental car agreement** and / or booking confirmation
- The **rental car company's settlement statement** for the deductible, including evidence of the amount of the loss (cost estimate / repair bill)
- *Your* own **description of the damage** and / or the **certificate of reporting to the police**, if available
- **Records of hand-over and return**

What do you have to do in the event of a breakdown, accident or theft of the vehicle?

You are the policy holder if *you* concluded the insurance contract with *us*. *You* are required to pay *us* the insurance premium. *You* are obliged to provide the other co-insured persons with these Terms and Conditions of Insurance and the Data Protection Policy. As policyholder *you* can be an insured person at the same time.

As an insured person, *you* benefit from the insurance cover. *You* are named in the proof of insurance, or *you* belong to the group of persons described therein.

Your insured travel is protected by insurance cover within the agreed area of application.

When do *you* have to pay the insurance premium?

The premium is due immediately after conclusion of the insurance contract and is payable upon delivery of the insurance *policy*. If the insured event occurs, *we* will only be obliged to provide indemnity if the premium has been paid, or if *you*, as the policy-holder, are not at fault for the non-payment of the premium. *You* are required to prove this to *us*.

What are *your* obligations in the event of a claim (general obligations)?

You are required to minimise the loss or damage to the extent possible and avoid unnecessary costs.

You are obliged to notify *us* immediately and describe the insured event (e. g. event and extent). In doing so, *you* must truthfully provide *us* with all information necessary to clarify the facts, and enable *us* to verify the cause and amount of the claim made. *You* must provide proof of the damage in the form of original invoices and documents.

To enable *us* to assess *our* obligation to indemnify and the scope of indemnity to be provided, *you* must also release *your* doctor from their non-disclosure obligations to the extent that is necessary. If *you* do not issue the release from the duty of confidentiality and have not enabled *us* to perform verification by other means, *we* are not obligated to provide insurance benefits.

Consequences of a breach of obligation: What happens if *you* breach an obligation?

If *you* intentionally breach an obligation, *we* shall be entitled to refuse the insurance benefit. If *you* breach an obligation through *your* gross negligence, *we* may reduce the indemnity to an extent commensurate to the severity of *your* fault. *You* must prove that *you* have not acted in gross negligence.

If *you* prove that the breach of duty did not affect the determination or the scope of *our* indemnity obligation, *we* will be obliged to provide *you* insurance benefits. This does not apply if *you* have acted deceitfully.

What is the limitation period for *your* claim to benefits under the insurance contract?

Your claim to insurance benefit shall lapse after three years. The limitation period begins at the end of the year in which the claim was made and *you* had knowledge of the circumstances justifying the claim, or should have had knowledge of such circumstances without gross negligence.

When will *we* pay the compensation?

We will pay the compensation within two weeks of conclusively verifying *your* claim. The payment will always be made by bank transfer to an account held at a bank.

What applies if *you* have claims for compensation against third parties?

If *you* have claims against third parties as a result of the loss event, these shall be transferred to *us*. This applies up to the amount of the payment that *you* have received from *us*, provided *you* are not placed at disadvantage as a result. *Your* entitlements to benefits from other private insurance contracts shall take precedence over *our* obligation to indemnify. *We* will extend preliminary indemnity in the event that *you* make *your* claim against *us* first.

The following condition applies:

- a. If *your* claims against third parties have been transferred to *us*, *you* must confirm this to *us* in written form by request.

In what form must declarations and notifications be issued, and who is entitled to receive them?

You and *we* must submit notifications and declarations of intent in text form (e. g. letter, fax, e-mail). Insurance agents are not authorized to accept notifications or declarations of intent regarding a claim.
